

My Diary

By Lorem Ipsum

January 1, 1910

Dear Diary,

I plan to write in you once a day for this whole decade.

Trying to think of something else to say... OK, maybe tomorrow.

Love,

Lorem Ipsum, January 1, 1910

Dear Diary,

So far, so good.

Love,

Lorem Ipsum, January 2, 1910

Dear Diary,

Whoops, skipped a day. But I'm back at it.

Love,

Lorem Ipsum, January 4, 1910

Dear Diary,

I'd say this is going quite well so far. Very proud of myself.

Love,

Dear Diary,

I just realized that I'm not actually writing anything of substance in you. I will remedy that immediately:

Today I had eggs for breakfast. Then I saw Nijinsky's performance of Giselle. Sergei Diaghalev was very rude to me. I decided that I don't like him very much.

Love,

Lorem Ipsum, January 6, 1910

Dear Diary,

Well, I screwed up royally here and forgot to write in you for quite a while. But now I'm back to stay. See you every day from now on! This time for sure!

Love,
